To whom it may concern,
I, Brenda E. Rodriguez, hereby send this waiver on behalf of Iglesia Destino del Valle to be exempt from Closed Captioning of our Spanish programming scheduled from 6:00 am to 6:30am Monday and Thursday of each week beginning the sixth day of June 2011.

We are a small congregation who want to reach out to the local community. We do understand the disability of hearing of many people so we are considering cc with the financial growth we expect in the near future. We respectfully ask of your exemption for this time.

Part 79.1 Section (D)

Iglesia Destino del Valle is a locally produced and distributed non-news program with no repeat value. The program is of local public interest, is not a news program, and the "electronic news room" technique of captioning is unavailable.

Iglesia Destino del Valle does not have a cc equipment or system, it would be necessary to send the information to another source for captioning thus increasing the production cost.

Our "annual gross revenues" fall "under 3 million" and the closed captioning of our program would cause an "undue burden" as explained under Part 79.1 Section (F). Our funding is supplied by our membership, with no outside funding or grants.

Thank you for your consideration of our request. If any questions or concerns please feel free to contact me at (956) 223-6847 or rdz_brenda3@live.com
